### Advanced Emergency Medical Dispatcher Training Courses

**Course includes:** Advanced Emergency Medical Dispatcher training through the IAEMD will help you master emergency medical dispatching on the front lines. You will learn how to handle difficult callers, identify the correct Chief Complaint, assign needed resources, effectively communicate between responders and callers, and provide life-saving support. This is hands-on training with real-life examples, exciting audiovisual tools, and instructors who have spent years in EMS as dispatchers and responders. Advanced Emergency Medical Dispatcher training through the IAEMD will help you master emergency medical dispatching on the front lines.
