This 2 hour CME covers Critical Thinking in EMS. Students will be able to:

- List the key elements of EMS practice
- Discuss the limitations of protocols, standing orders and algorithms
- Outline the key components of the critical thinking process
- Identify elements necessary for an effective process
- Describe situations where critical thinking is key
- Describe the six (6) elements needed for effective critical decision making in the field

Anyone interested in attending should visit our website at [stratfordems.org](http://stratfordems.org) or contact Nancy at EMS Headquarters (203) 385-4060 to sign up for one of the sessions below.

**Monday, April 16, 2018 @ EMS Headquarters**

Sessions are limited to 30 students

19:00-21:00

Please provide your First and Last name, Department/Agency and a telephone number where you may be reached in case of cancellation time or venue change

Town of Stratford,  
Connecticut
