We're proud to be teaming up with Stratford EMS to host a special evening program on pet safety & first aid! Join us as we share information on pet emergencies, disaster preparedness, and resources available for pets impacted by these incidents throughout the community. There will be a multimedia presentation followed by an opportunity for Q&A, lots of handouts, and more! This program is open to all interested (you do not have to be a Stratford resident to attend), kids welcome too, and refreshments will be served.

Please RSVP to [info@earsct.org](mailto:info@earsct.org) or (203) 941 – EARS so that we can properly plan for the amount of people attending as materials will be provided for all.
