This two-hour continuing medical education (CME) session, offered in partnership with St. Vincent's Medical Center, will cover Pre-Hospital Airway Management and Respiratory Emergencies.

Topics Covered:

- Anatomy review
- Airway assessment
- Importance of BLS airway management (ensuring an OPA/NPA is in place)
- ALS airway management (intubation/SGA)
- "To intubate or not to intubate" that is the question

Registration is free
