**Date:** Monday, June 24, 2019

**Time:** 1800

**Location:** Stratford EMS, 2712 Main Street, Stratford, CT 06615

**Lecturer:** Amy Hanoian-Fontana, M.A., EMT-B,  
Community Education Specialist – CT Poison Control

**CME:** 2.0 (SHCGB) - LCCR

**Description:** It is important for EMS/Dispatch to know when to call the poison center as oftentimes, such a call can save lives, prevent unnecessary emergency room visits, and expedite treatment. This two (2) hour CME will cover:

- Poison Center basics and more including our services, roles, etc.
- Education - programs available to public and professionals
- Data - Connecticut-specific poisoning stats and typical calls
- Pre-hospital poisonings, trends, and treatment for EMS
- Red flags - poisons that you should pay attention to, need treatment and transport via EMS.

Audience: All levels of EMS and First responder, Dispatchers

**Registration is required**

**Monday, June 24, 2019 @ SEMS Headquarters**

6:00 pm – 8:00 pm
